## Is the existence of God logical & plausible?

Tough Questions *Thinking* People Ask about God

Genesis 1:1; Romans 12:2; and, Ephesians 4:23

In the beginning (BANG!) God created the heavens and the earth.

I. God stands up to the scrutiny of thinking people.

II. 6 Reasons it is logical & plausible to believe in God

1. God is the First \_\_\_\_\_ (He created the ingredients).

2. God is the Intelligent \_\_\_\_\_ (He put the ingredients together).

3. God is the \_\_\_\_\_ and \_\_\_\_\_ behind it all (He turned on the oven)

4. God is the \_\_\_\_\_ authority.

5. God is \_\_\_\_\_ present.

6. Personal \_\_\_\_\_.

1. Cause 2. designer (master architect) 3. Energy & power 4. moral 5. immanently  
6. experience
